

# MIER2019

Joint Symposium on Mechanical - Industrial Engineering, and Robotics 2019  
Muroran Institute of Technology - Chiang Mai University

**Date** : July 3 (Wed) - 5 (Fri), 2019

**Venue** : Muroran Institute of Technology

## Topics :

The MIER2019 intends to enhance interdisciplinary interaction, therefore, various topics related to mechanical engineering, industrial engineering and robotics are welcome. The topics of interest include, but are not limited to, the following:

1. Modeling and simulation of mechanical systems
2. Mechanical system design and application
3. Manufacturing engineering and technology
4. Industrial engineering and production management
5. Robotics and automation
6. Sensing and measurement
7. Medical application and biomechanics
8. Environmental Science

## Abstract submission :

All presenters are invited to submit the 1-2 page(s) abstract. Abstracts should be written in English. More detailed information will be available on the symposium website.

## Important date :

Application of presentation: Apr. 26, 2019  
Submission of abstract: May 31, 2019
